1 Letter grades are as follows: A: 90-100, B: 80-89, C: 70-79, D: 50-69, F: 0-49.

2 This score represents the percentage of schools the authorizer opened from fall 2011 to fall 2015 that were managed by operators that met a statewide minimum quality standard over three years (between 2011-12 and 2013-14). An operator did not meet our statewide minimum quality standard if more than half of its schools failed a statewide minimum quality standard for three consecutive academic years, 2011-12 through 2013-14. Authorizers that did not open new school between fall 2011 and 2015 were not scored for this category.

3 This score represents the percentage of an authorizer's current schools that met a statewide minimum quality standard over three consecutive academic years, 2011-12 through 2013-14.

4 This score represents the percentage of an authorizer's schools that were among the state's bottom five percent of lowest-performing schools for two consecutive academic years (any two consecutive years between 2011-12 and 2013-14), remain open, and did not demonstrate above state average improvement in the second year, out of the authorizer's schools that were among the bottom five percent for the first time between 2010-11 and 2012-13.
